Subject: CWA Section 308 Information Requirement
SYRNY1--signed.pdf

Dear Ms. Brancho,

Attached please find the response and exhibits to the U.S. Environmental Protection Agency's July 1, 2020 Information Requirement pursuant to Section 308 of the Clean Water Act that was issued to Horizon Land Management, LLC. The response has been signed and certified by Drew Odabashian, who is the managing member of each of the limited liability companies that are the subject of the Information Requirement. We are only providing an electronic copy in accordance with the instructions to the Information Requirement.

Please see the link below that will allow access to the related documents:
